Nonunionists Assaulted.

TAMAQUA, Fa., Aug. 7 .- Three hundred strikers, mostly foreigners, patrolled the streets of Summit Hill and made an effort to force all workmen to return to their homes. For a time the town was in a riotous state. Nonunion men were compelled to flee for safety, while those who were captured were roughly handled. For four innings the game between Indianapolis and Kansas City at Washington Park yesterday afternoon was listless, and | back his team to the extent of \$50,000. it looked as if the men from the banks of the Kaw would give the Hoosiers another push down the ladder. "Bill" Wolfe had the Hoosiers on his staff during that time and he was showing his teeth and smiling fiendishly as the Hoosiers were mowed down by his curves. The regular umpire failed to report for duty and Jack Grim, late manager of the Columbus team, was chosen to officiate. The sun shone brightly during the first four rounds of the battle and a diamond as big as a Plymouth Rock hen's egg in Grim's necktie | week. blinded the Hoosiers, and there was nothing doing in the lumber business. After

killed fourteen and Glover thirteen. Hugh the victory. The fact that Indianapolis Clark, of Wabash, has held the badge since | won and gained a few points on Louisville last year. In to-day's contest he shot for- | was enough to please the fans, but there | were other things that made the fans lighthearted after the contest. Wolfe, who has been a stumbling block, was given a bitter pill to swallow. In the eighth inning, after Indianapolis had taken the lead, he showed his pettishness and ungovernable disposition by hitting Kihm and Coulter with swift balls, and it looked as if he had done so intentionally. Then the Indianapolis players were glad of the good news to send to Orville Woodruff, the Hoosier third sackman. He got a short leave of absence to be initiated into the ranks of the benedicts and his comrades believe the story of a victory will add much to his start on the journey of connubial bliss. Owing to his absence Kuhns was stationed at third and Kelium played left. Kuhns had a fairly good day, while Kellum was a particularly bright star on the home team. He accepted five of the most difficult chances in the outdistricts and was in the game with his willow limb. While the score shows three errors charged against Indianapolis the fielding of the Hoosiers was fast, and Killen was given gilt-edged support. In the early innings Killen experienced some difficulty in locating the plate, but he anchored after the third and did excellent work.

VISITORS TAKE THE LEAD. Hogriever scored Gear. During the next to 20; Little Scout, 3 to 1; Annie Thompson, three innings Kansas City was blanked. In the last of the fifth the Hoosiers made a strong and long pull and chalked up a brace of tallies, which tied the score. Kellum beat out an infield hit and Killen poked one to left for a single. Hogriever's safe smash over second sent Kellum home and Killen to third. Killen scored on Heydon's fly to Gear. O'Brien drove a line fly to Mc-Andrews and Hogriever was caught off first. Kansas City took the lead again for a brief spell in the first half of the sixth by scoring one run on Nance's two-bagger and Gear's triple. In the last half of the sixth the Hoosiers went to the front and were never headed. Kihm lifted one over short for a triple and scored on Coulter's single to left, Coulter being caught trying to make second. Fox hit to McAndrews and was called safe because Grady had his foot off the initial bag. Fox pilfered second and scored on Kuhns's single to center. Kellum reached first on Grady's second error and Killen struck out. Kellum was forced at second when Hogriever hit to Thiel. Lewee's error on O'Brien's chance, a wild pitch, passed ball and Coulter's single gave Indianapolis one in the seventh.

FIVE IN THE EIGHTH. Kellum started the eighth by hitting in front of the plate and reaching first, as Wolfe did the "split" and could not recover himself in time to throw to Grady. Killen sacrificed Kellum to second and Hogriever found a spot in right for a three-base effort. Heydon hit to Wolfe, who threw to Grady, the latter dropping the ball. Hogriever scored and Heydon was safe at first. O'Brien singled and Kihm was hit. Wolfe gle scored O'Brien and Kihm. Kuhns forced Fox at second and Kellum forced Kuhns. The entire outfit gave Indianapolis

five in that inning. Kansas City was blanked in the seventh and eighth, but in the ninth, with two out, Thiel singled to center and scored on Wolfe's long two-bagger to right. Rothfuss ended the game by fouling to Heydon. The score:

AMERICA'S GREAT APPLE BIN.

the West of the Alleghenies. ROCHESTER, N. Y., Aug. 7 .- The leading

feature of to-day's session of the convention of the National Apple Shippers was a paper prepared and read by Prof. W. A. Taylor, pomontologist in charge of field investigation in the United States Department of Agriculture, Washington, D. C. Its subject was "The Commercial Apple Areas of the United States." Professor Taylor completed his paper three days ago, but yesterday, having received census department proof-sheets of statistics gathered by the twelfth census, which brings the matter down to June 1, 1900, he changed his paper and the following is the first public dissemination of these statistics: "The total trees of bearing age in the commercial orchard | Miers is to preside. areas of the United States up to June J 1900, according to the twelfth census, is 210,000,000, an increase of 75,000,000, or more than 40 per cent, of the apple area of 1890. Dispute Over an Election Results in the Killing of Two Men.

NASHVILLE, Tenn., Aug. 7 .- Jim Highpeace and Brooks Carter were killed, John Carter is supposed to have been seriously wounded and a man named Richmond was shot through the wrist this morning in a fight in Jackson county resulting from an old feud between the Carter and Lynch families of that section. The fight occurred in the country store of Brooks Carter, where Brooks and his brother John, Jim Highpeace and Boyd and Leslie Lynch and several others had gathered. The talk drifted to the election, and a dispute arose between the Carter and Lynch partisans. Brooks Carter was seen to reach for his pistol, and a general fight ensued, in which guns and pistols were brought into action. Brooks Carter and Highpeace were instantly killed and a bystander named Richmond was shot through the wrist. John Carter, who is supposed to have been seriously wounded, ran off after the shooting, threatening vengeance. The Lynch brothers are under arrest.

ACCUSED OF PROFESSIONALISM.

Charges Made Against Indiana and Illinois College Athletes. CHICAGO, Aug. 7 .- Charges of professionalism and competing in unsanctioned games have been made against well-known athletes of the University of Illinois and of Lake Forest University, and charges are pending against members of crack teams of other well-known Western colleges. The Central Association of the American Ath-

letic Union is the aggressor in the fight for pure athletics represented by Dr. G. K. Herman, secretary of the association, and C. O. Duplessis, handicapper. The charges are to the effect that F. M. Cayou, the Indiana football player, C. Bell and H. B. Ketzle, of the Illinois institution, and S. B. Herdman, of Lake Forest, took part in races at the tournament of the Illinois firemen at Blue island this week where cash prizes were offered. Officials of the A. A. U. say the men will be suspended pending trial. Much interest is manifested among college athletes, inasmuch as Trainer Connibear, of Illinois, who brought similar charges unsuccessfully against Ed

Merrill, of Beloit, early in the spring, now finds the character of his own trackmen assailed.
